We never know the PATHS that life we will eventually take. We don't know all the challenges that lie ahead, we don't know the joys we would experience or the victories we would overcome. Prof. Bush was one of those encounters I never knew I would experience in grad. school and I am grateful. God has placed many people of inspiration, who have choice words in my life; prof. Bush was one of them. Love Dionne Dorsey

You will ALWAYS be my motivation. I'll make you proud Dr. Bush.

I've met Dr. Bush; maybe 4 times. However each time we spoke, he dropped a whole bomb on my life!! Challenged my thought process, & motivated me to do more for our community. Overall I was inspired by his thought process and his advocacy for community action. I definitely aspire to be like him.

LISTEN. LEARN FROM OTHERS. BUILD TOGETHER

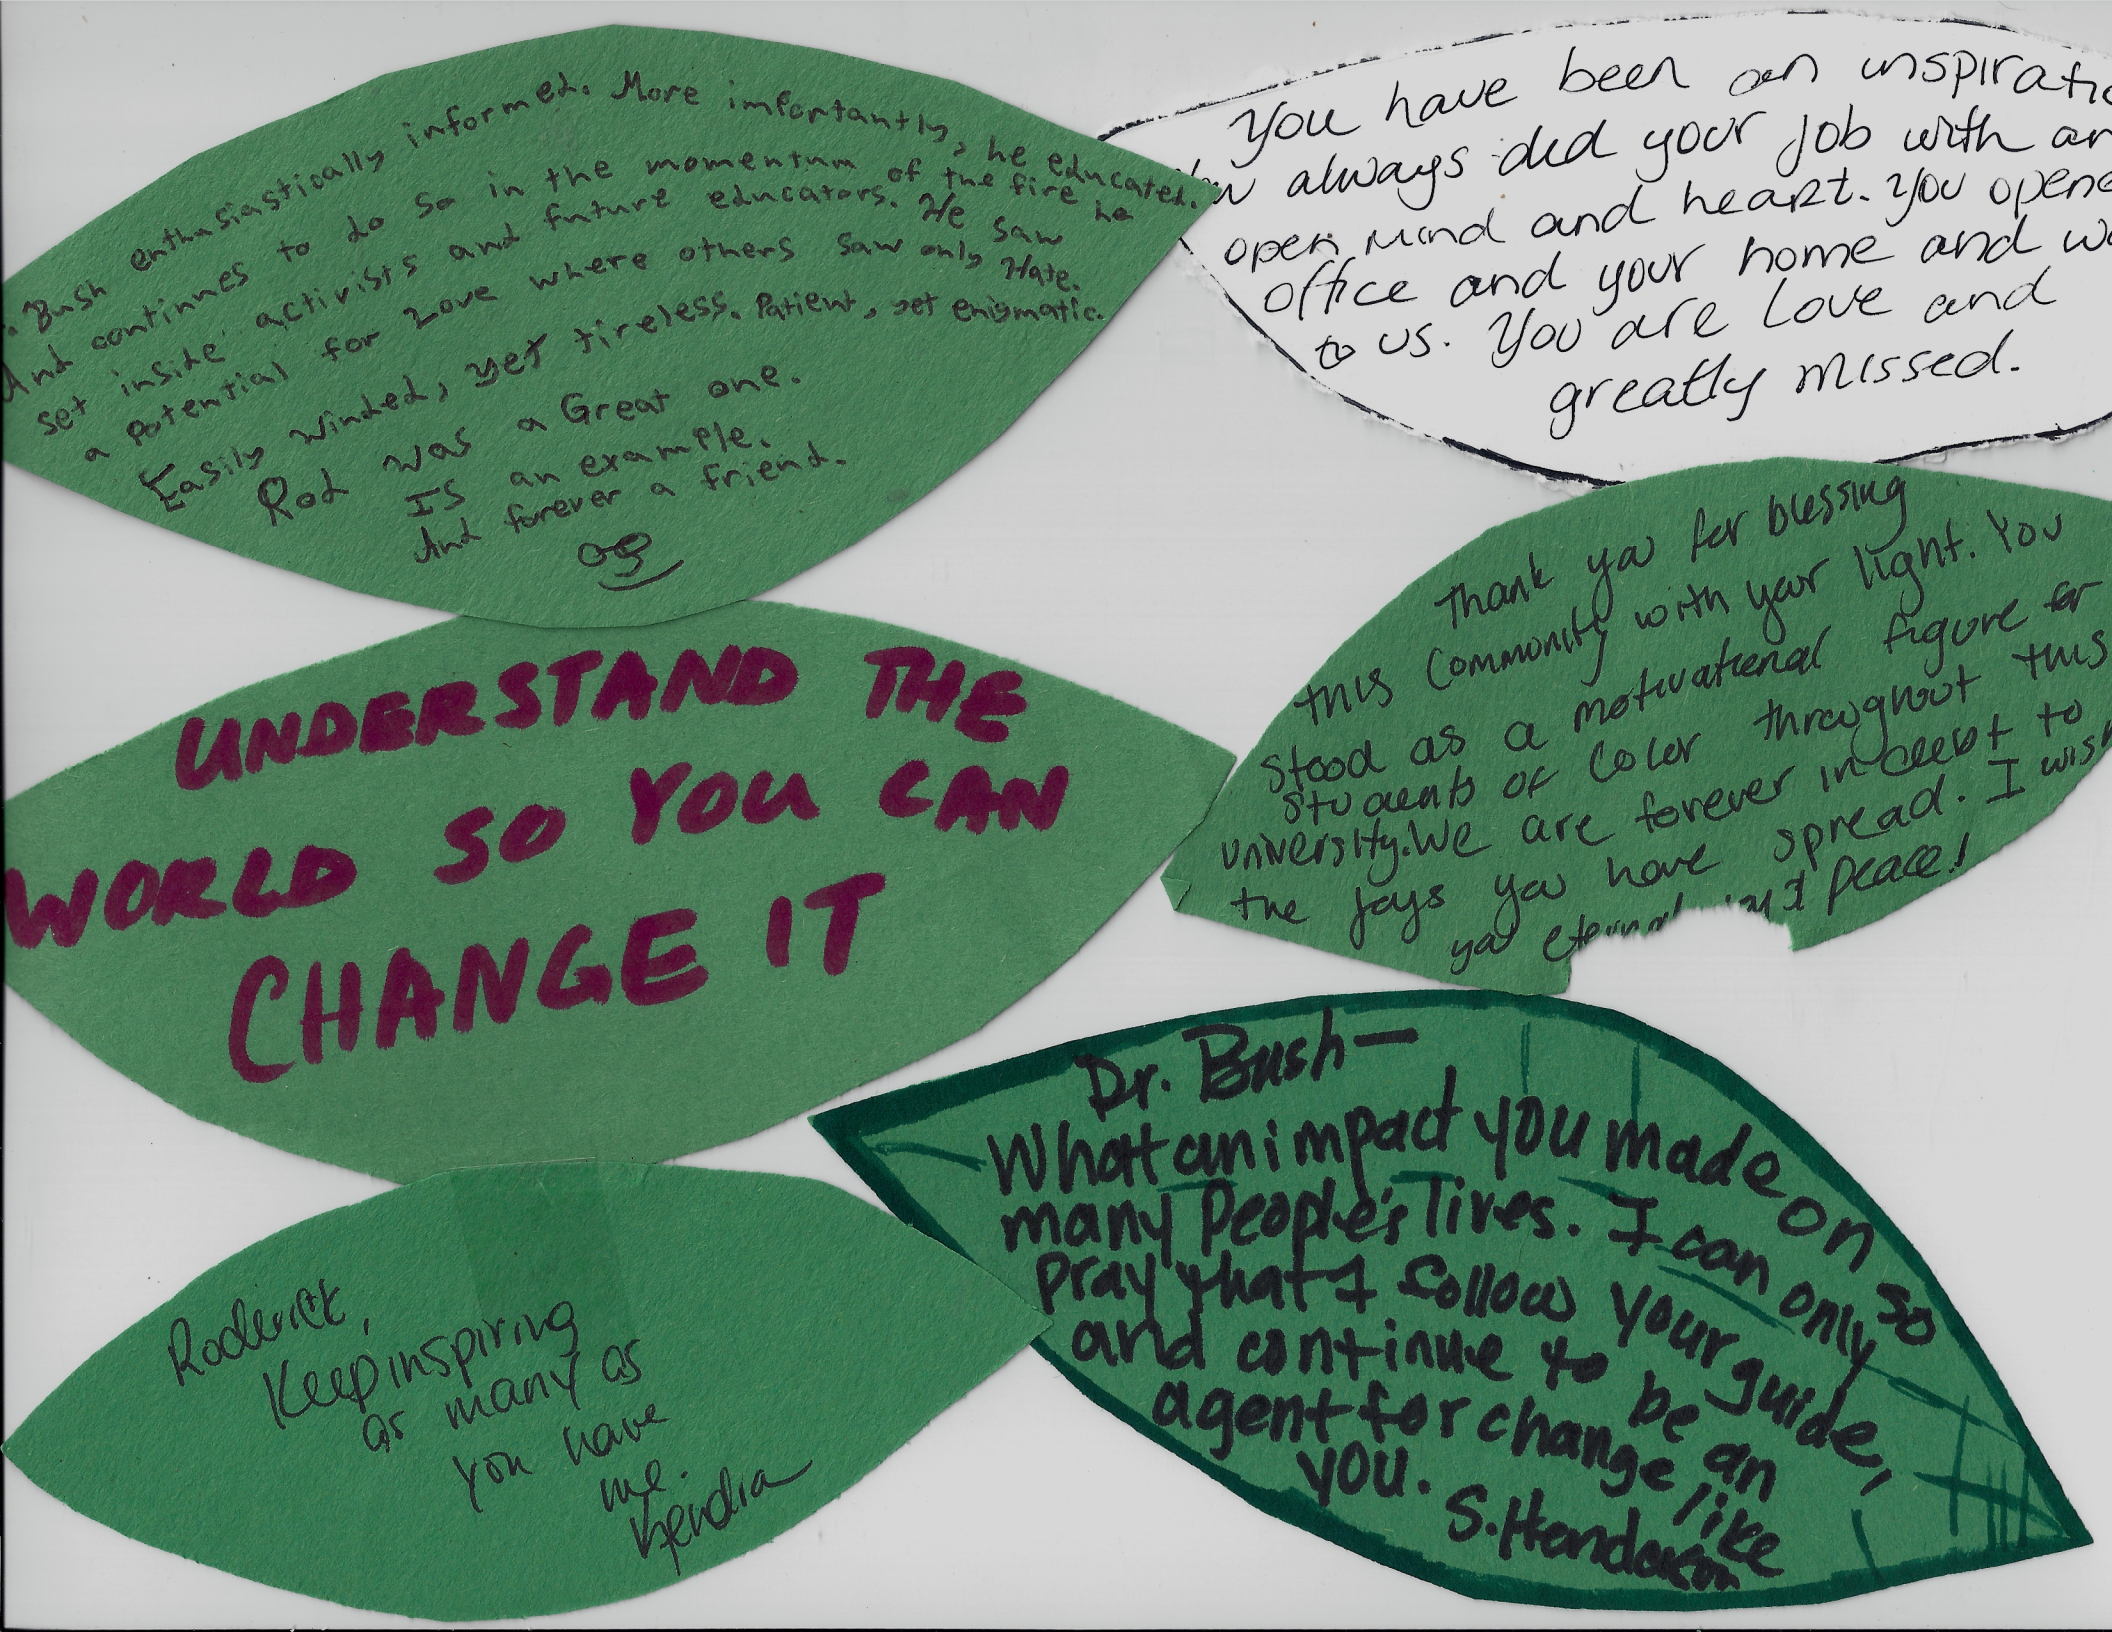
Dr. Bush was one of my favorite professors. His spirit is uplifting & inspiring I cherish all of my memories of him.
Thank you Dr. Bush for all of your hard work, dedicati & LOVE!!! I pray your legacy and that you are at peace.



Bush enthusiastically informed. More importantly, he educated.
And continues to do so in the momentum of the fire he
set inSite activists and future educators. He saw
a potential for Love where others saw only Hate.
Easily Winded, yet tireless. Patient, yet enigmatic.
Rod was a Great one.
IS an example.
And forever a friend.

I got information from every teacher I ever had. But giving the facts is the easy part. The challenge, and indeed the proper meaning of education is to convey both the sense of why the information is important, and to impart the courage it takes to use it for good. Dr. Bush did that.

Dr. Bush was such a brilliant mind with passion for education. A warm hearted & fantastic mentor. I am shattered. Yours is what will be missed most.
-Nicole Bergoia

I enjoyed coming to your class and listening to all the stories you shared. I wish I had ~~as much~~ more time getting to know you, but you left an impact in the short amount of time that we've known each other.

Rest in Peace.

Thank you for teaching us to always go the extra mile. We will all miss you dearly...

Fight on!
